FROM THE DESK OF THE PRESIDENTS

Our very first 'In person meeting' held by the Performing Arts Committee was a huge success with 32 members attending. We are delighted that all the other 'in person' and online meetings have also had a terrific response. The buzz and excitement of meeting Indus friends after two years with plenty of laughter and of course the handbags placed on chairs to reserve seats was a welcome familiar sight!

Our team appreciates the attendance and participation coming forth from Indus members (masked or otherwise) as total normalcy returns to the city with declining COVID cases

We hope to see you all more often at the meetings and look forward to your involvement and participation in the many different ways that Indus offers its members

Thank you for the overwhelming response to the Travel Committee's efforts, which seem to have fructified into yet another memorable trip to Kashmir.

There is much more in store in the coming months. Our enthusiastic team and Chairladies are working hard to give you interesting and fun meetings, many of which will be 'In person.'

A gentle reminder to members who have yet to send in their renewal form and fees, please do so by the end of July.

Please do **Read on, Save dates and Register** for the upcoming events and meetings of your choice.

Just a reminder that we are not printing copies of the newsletter so do refer to the WhatsApp Indus Notice Board / emails & the digital newsletter on your mobile phone.

We will continue to send reminders on WhatsApp as well!

Look forward to seeing you at a meeting soon.

A Tale of Famed Miniatures and Himalayan Art

The CSMVS Museum houses a world renowned collection of Mughal, Rajasthani, Deccani and Pahari miniatures. The curator will help us to learn the comprehensive story of the development of this beautiful art form, court life at that time and the history of this unique miniature art.

CSMVS houses the finest Himalayan art that highlights India's cultural and spiritual bonds with our neighbours. We will take another journey with our curator to experience mystic and exquisite thankas, metal sculptures and mesmerizing objects that are gilded and studded with gems. The stories of Buddhism and the myriad lands it influenced deeply shall be brought to life.

Indian miniature and Himalayan art share a common history as they both have originated in the Indian subcontinent and our knowledgeable curators Dr Mrinalini Jamkhedkar and Ms. Nilanjana Som shall ably guide us on this journey.

Dr Santosh Pandey, founder of India's leading and cutting edge Accupuncture clinic, Rejua Energy, has treated thousands of patients using this technique in a safe and drugfree manner to release them from their pain and discomfort.

WHERE THE CRAWDADS SING BY DELIA OWENS

For years, rumours of the “Marsh Girl” have haunted Barkley Cove, a quiet town on the North Carolina coast. So, in late 1969, when handsome Chase Andrews is found dead, the locals immediately suspect Kya Clark, the Marsh Girl.

Where the Crawdads Sing is a juxtaposition of an exquisite ode to the natural world against a profound coming of age story of Kya. The debut novel of retired wildlife biologist Delia Owens doesn't quite fit into any genre – it is a coming of age narrative, a murder mystery and a stunning portrayal of nature, all wrapped in one. A story of resilience, hope, love, loss, prejudice and nature; it is a thought-provoking and deeply moving read.

Temple Blessings

Adiv Pure Nature is a natural dye studio, is based in Mumbai. It is dedicated to sustainability of nature through natural dyed textiles.

Today Roopa Trivedi would like to share with us poetry on cloth with Temple Blessings.

Nature offers such beautiful array of colours. she believes, in fact that the human perception of colours has come from the treasure troves of nature. The dyes extracted from flowers and herbs represent mother nature's splendour both robust and beautiful as much as serene and soothing in her irregularities. The gifts of nature are innumerable, and this constant mystery unravels through natural dying as each process of dying reveals new iterations and new facets of it.

Join us for an interesting in person meeting.

SOCIO-LEGAL GENDER PERSPECTIVES

Justice Roshan Dalvi (Retd.) will show, through many stories and incidents, striking and astounding, gender perspectives in laws and in society, both positive and negative, by men as well as women, observed and found in the most unlikely places and persons which would impact our minds. She is also the author of the book WOMAN: Her Trials and Triumphs

“The aim is to inject innovative thinking by creating awareness of the situations that demand sensitivity on a wide spectrum of gender roles and realities by making all persons 'gender aware' that indeed those perspectives exist so that they observe and appreciate them in future. They may raise eyebrows, amaze, lit an idea, make one feel avenged, bring a smile to the face, or evoke total denial.”

Roshan Dalvi is a former judge of the Bombay High Court in Maharashtra, India who adjudicated a number of widely reported and significant cases.
